10th International Workshop on Anthocyanins

Invitation

INVITATION

The Research and Innovation Centre of Fondazione Edmund Mach is organizing the 10th edition of the **International Workshop on Anthocyanins** which will be held in San Michele all'Adige (Italy) from 09th September to 11th September 2019 (<https://eventi.fmach.it/iwa2019>).

IWA 2019 is an opportunity for plant scientists, chemists, nutritionists and health researchers, biotechnologists and industrialists to connect and share research in a welcoming forum.

We invite your institution to play a significant role in this important meeting. Please be assured that in making a commitment to become a major supporter, your Institution will be ensured of high profile exposure at the Workshop.

We would be more than happy to discuss the overall scope of the programme and the possible financial support from your Company. We look forward to hearing from you at your convenience.

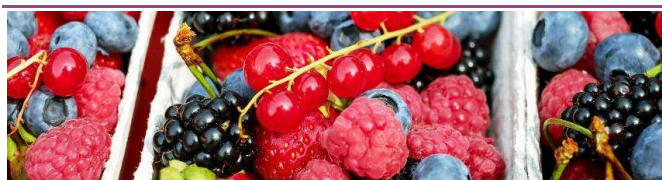

Sincerely,

Stefan Martens, Fondazione Edmund Mach

Fulvio Mattivi, University of Trento/Fondazione Edmund Mach
