## AlpJobs project: next steps

6th September 2018

**Alessandro Gretter**

Palazzo Gallo, Castello Tesino (TN) - Italy

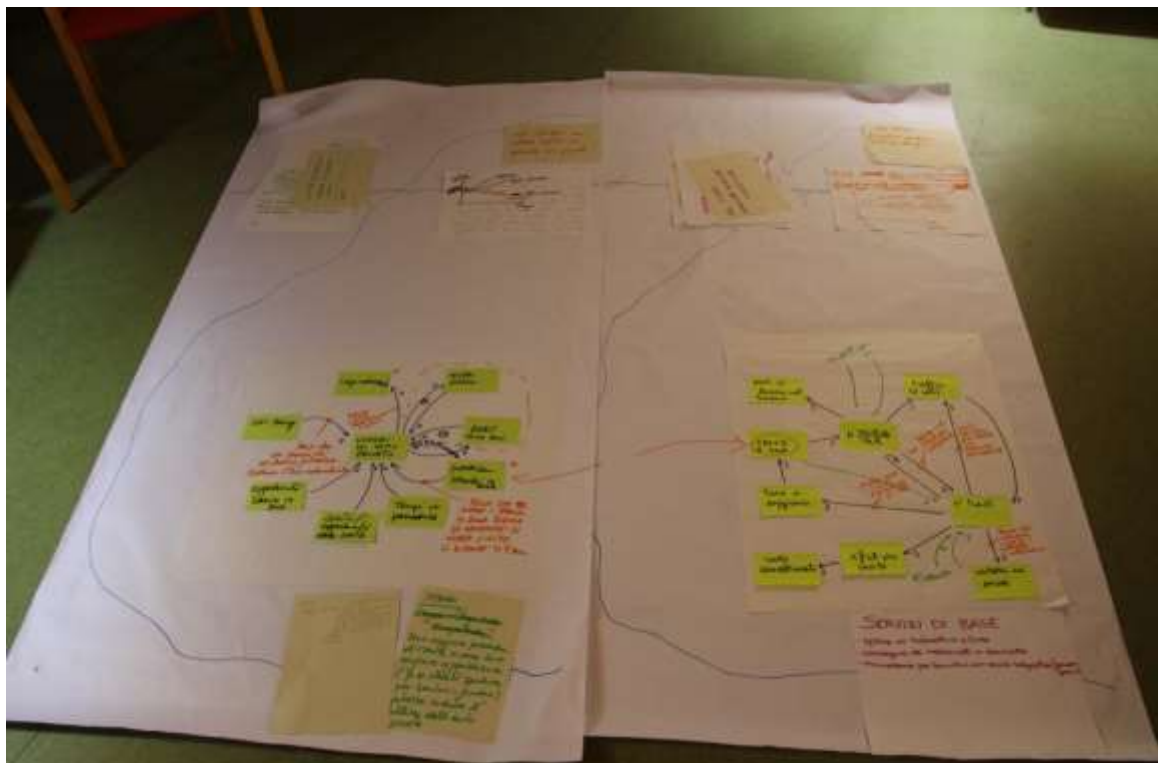

This project is co-financed (ARPAF funds) by the European Union

- Between September and November we are going to organise some further activities of participatory modelling in Tesino.

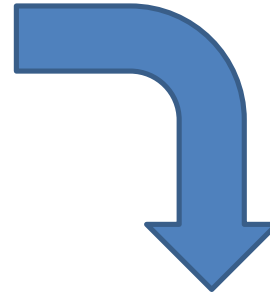

# WP3

We will realise events dedicated to the same topic in Tesino and Comunità di Valle Bassa Valsugana and Tesino with all interested stakeholders (i.e. schools and associations)

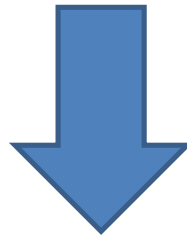

# WP3

Meanwhile we are going to organise a report collecting the data and information about local «treasures» (with the collaboration of local insitustions and associations)

This activity will be linked to other ARPAP projects operating in Trentino and Tesino: CIRCULALPS (Wood and Forestry) and TRANSALP (Agriculture, Biodiversity, MAPs and Health)

Further meetings will be realised in the territories selected by PPs and within EUSALP activities in order to present AlpJobs objective, gather interest from stakeholders in order to design future educational activities

development of collaborations at local level are other targets (i.e. PAT LAMO)

Thank you for the attention!
